

Commercial Lawyer

1-3 PAE

moulislegal

Moulis Legal is a progressive Canberra-based commercial and international law firm. To service the diverse needs of our blue chip clients we are seeking to recruit commercial lawyers with 1-3 years PAE.

You will be able to utilise your commercial law background in significant commercial projects, procurement contracts, property investment, major leasing and construction matters. You will enjoy personal interaction with our dynamic and innovative clients. You will be inventive, with high energy levels, a proactive mentality and a sharp legal mind.

The position will allow you to step up to more direct client contact, with the leadership and support of an experienced business lawyer in a boutique firm environment. National firm and large matter experience would be a valuable attribute.
